

Home Church For Kids

Every Sunday Morning start by clicking the YouTube Tile below to begin watching Kids Church on YouTube

For More Church Wide Info Follow the Church Facebook and Instagram Pages OR go to thebridgenv.com

Our age span for these lessons is 3 years old to 11 years old
If your child is 12 or older try and watch the sermon with them and discuss it in real life application

If your child is an infant to 2 years old be sure to live out the sermon so it speaks life into these precious little ones

What is a heart of Worship?

MEMORY VERSE:

Lord, You are our Father. We are the clay. You are the Potter. Your hands made all of us. -Isaiah 64:8 NIRV

Teacher: YOU THE PARENT

Week of 5/17-5/23

Overview & Purpose

For the family to love the Father more than anything that can imagine. To love Him how He created us to. To love Him and honor Him because He has created us and meant it all for good but we turn to Satan and turn God's good evil. We want to reinvent our own way of life that hurts, kills, and destroys people.

Prayer

Pray with your kids daily and use this as a guideline:

Father, I want to be able to obey what you say is good. I want to please you not because I have to or are scared of you. I want to obey you because I love you for who you are just like you love me for who I am, who you created me to be. Amen

Objectives

1. For kids to be filled with the desire to listen and obey the Father
2. For kids to be able to understand that God works all things for good for those who love Him.
3. For kids to be able to answer with their full heart that they trust in Jesus
 - a. This will result in a peace and joy that overcomes the child due to the now present life of the Holy Spirit

Materials Needed

1. Computer/Tablet/Smartphone

2. Printer
3. Scissors
4. Coloring Mediums
5. Glue Stick/Bottle

Verification

Steps to check for kids understanding

1. Do they desire the presence of the Father in their life?
2. Do they have the drive to obey the Father and His laws of goodness?
3. Do they have a life that is becoming pure?
 - a. Watch for things like respect, no lying, bringing honor to all people. The fruit of the Spirit will be evident in micro levels (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self control)

Activity

These activities are a daily thing! I know it seems repetitive but God says “remember” 148 times in the Bible! He wants us to remember His words! Use the video link and the activities throughout the week with your kids! (click the picture to watch a YouTube video)

Who is the Father?

God is our Father. The real true Father. He was the one that intended and thought us up. He thought of us before the world began! He intended that we love and follow Him as vessels of worship. The Father has every desire to be with His children, but humans have chosen to be mean children and turn away from their Father. We refuse to listen to

Him and do what He says is right. He is perfect and holy. He is much different than us and that is why we can trust Him as the Father and Potter that forms us. He has laws to keep us safe and away from evil that we choose to love more than Him.

Video: God's Story

Questions:

1. What was here before time began?
 - a. Nothing but God and His idea to fill everything! He wanted to fill the universe with His creation and goodness.
2. Does God make mistakes?
 - a. Nope, we make mistakes and He allows us to follow them if we want to. He allows us to want Him in our lives.
3. Did God create us to be separate from Him?

-
- a. Nope, He created us to be with Him in worship and as His most important trophy. He created us in His image.

Family Activity

Find a new thing to do as a family. Create something at home. Plant a small garden, do a project that you have been wanting to do. Set time aside to be together and encourage each other in love.

Craft Activity

Build things out of clay (or play-doh) , make yourself with the kids and themselves. Have fun seeing how we can make new things with creativity. This is exactly how God works and forms us in His image.
